

GEELONG SITE GUIDE

Mackey Street
North Geelong
VIC 3215

SITE SAFETY INFO

PPE & Procedures required on site:

- Hi Vis vest
- Safety glasses
- Hardhat
- Covered footwear
- Correct Release number(s)
- All trucks must have roll over tarps
- Adherence to all GrainCorp's traffic procedures (speed limit, stop signs etc.)
- If trucks/customers do not adhere to the above they will be **turned away and not loaded**

UHF Channel

- UHF channels **28** and **29**

On arrival please ensure your drivers contact the weighbridge on UHF channels 28 or 29

Height Restriction:

- 4.2 m

GrainCorp operates a 1 strike policy:

- Drivers who arrive without the appropriate PPE will be informed of the requirements and their details captured within the system.
- The driver will have the opportunity to present again on the same day with the appropriate PPE but if outside the time slot will be subject to availability.
- On subsequent visits if the driver returns without the appropriate PPE, GrainCorp will direct the driver off site and will not load the truck.
- When not compliant, driver abuse of the terminal operators will result in the driver being banned from the site for all operations.

If trucks/customers do not adhere to the above they will be turned away and not loaded.

SITE PROCEDURES

- 1** Gated Entry. Please call Graincorp South Weighbridge on UHF 28 or 29 for instructions
- 2** All trucks to report to South Weighbridge
