!! WARNING STATEMENTS !!

Do not swallow. The dust from this product may act as an irritant. Avoid inhalation and contact with the eyes and skin. Wash hands after use.

This product contains heavy metal impurities. Its use may result in accumulation of cadmium and mercury in the soil. Depending on soil characteristics, irrigation water quality, plant species and variety, crop uptake of cadmium may lead to residue limits in plant and animal products in excess of the maximum level specified by the Australia New Zealand Food Standards Code. In pasture, the offal from grazing animals may also exceed these limits.

PRODUCT INFORMATION

Fertiliser should be stored in shed facilities with purpose built floor space designed to carry the volume and weight of the product to be stored.

This product can be corrosive to metals. Clean equipment after use, and follow manufacturer's maintenance advice.
